

UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF CALIFORNIA

TYWON WILLIAMS,

Plaintiff,

v.

CHIME SOLUTIONS, INC., et al.,

Defendants.

No. 2:20-cv-2299-KJM-KJN PS

FINDINGS AND RECOMMENDATIONS TO  
DISMISS FOR FAILURE TO PROSECUTE

(ECF No. 4)

Plaintiff, proceeding pro se, filed a complaint against several defendants, alleging violation of various federal statutes for seemingly separate harms; plaintiff also requested leave to proceed in forma pauperis. (See ECF Nos. 1, 2.) The court granted plaintiff's IFP request and dismissed the complaint under Rule 8(a) for failure to state a discernable claim for relief, and Rule 20(a) for joining multiple defendants in the same suit without showing a connection between the claims or defendants. (ECF No. 3.) Plaintiff was given 28 days to amend the complaint and was warned that failure to do so by the required deadline could result in sanctions, including "dismissal of the action with prejudice pursuant to Federal Rule of Civil Procedure 41(b)." (Id. at 5.) When that deadline passed with no filings from plaintiff, on February 17, 2021, the court issued an order to show cause why this action should not be dismissed with prejudice under Rule 41(b) for failure to prosecute this case, and failure to comply with the court's prior order. (ECF No. 4.) Plaintiff was given another 14 days to show cause and was warned—in even

1 stricter terms—that failure to comply “will result in a recommendation that this action be  
2 dismissed with prejudice” under Rule 41(b). (Id. at 2.) More than 14 days have passed without a  
3 response from plaintiff. Accordingly, the undersigned recommends dismissing this case with  
4 prejudice under Rule 41(b).

5 A district court may impose sanctions, including involuntary dismissal of a plaintiff’s case  
6 pursuant to Federal Rule of Civil Procedure 41(b), where that plaintiff fails to prosecute his or her  
7 case or fails to comply with the court’s orders, the Federal Rules of Civil Procedure, or the court’s  
8 local rules. See Chambers v. NASCO, Inc., 501 U.S. 32, 44 (1991) (recognizing that a court  
9 “may act sua sponte to dismiss a suit for failure to prosecute”); Hells Canyon Preservation  
10 Council v. U.S. Forest Serv., 403 F.3d 683, 689 (9th Cir. 2005) (approving sua sponte dismissals  
11 under Rule 41(b)); Ghazali v. Moran, 46 F.3d 52, 53 (9th Cir. 1995) (per curiam) (“Failure to  
12 follow a district court’s local rules is a proper ground for dismissal.”); Ferdik v. Bonzelet, 963  
13 F.2d 1258, 1260 (9th Cir. 1992), as amended (May 22, 1992) (“Pursuant to Federal Rule of Civil  
14 Procedure 41(b), the district court may dismiss an action for failure to comply with any order of  
15 the court.”); Thompson v. Housing Auth. of City of L.A., 782 F.2d 829, 831 (9th Cir. 1986) (per  
16 curiam) (stating that district courts have inherent power to control their dockets and may impose  
17 sanctions including dismissal or default). This court’s Local Rules are in accord. See E.D. Cal.  
18 Local Rule 110 (“Failure of counsel or of a party to comply with these Rules or with any order of  
19 the Court may be grounds for imposition by the Court of any and all sanctions authorized by  
20 statute or Rule or within the inherent power of the Court.”); E.D. Cal. Local Rule 183(a)  
21 (providing that a pro se party’s failure to comply with the Federal Rules of Civil Procedure, the  
22 court’s Local Rules, and other applicable law may support, among other things, dismissal of that  
23 party’s action).

24 A court must weigh five factors in determining whether to dismiss a case for failure to  
25 prosecute, failure to comply with a court order, or failure to comply with a district court’s local

26 ///

27 ///

28 ///

1 rules. See Ferdik, 963 F.2d at 1260. These are:

- 2 (1) the public's interest in expeditious resolution of litigation;
- 3 (2) the court's need to manage its docket;
- 4 (3) the risk of prejudice to the defendants;
- 5 (4) the public policy favoring disposition of cases on their merits; and
- 6 (5) the availability of less drastic alternatives.

7 Id. at 1260-61; accord Pagtalunan v. Galaza, 291 F.3d 639, 642-43 (9th Cir. 2002).

8 Here, the first two factors weigh in favor of dismissal, because this case has already been  
9 delayed by plaintiff's failure to take the steps necessary to move this case forward. The third  
10 factor also favors dismissal, because, at a minimum, defendants have been deprived of an  
11 opportunity to be promptly notified of the lawsuit and prepare their defense. With the passage of  
12 time, memories fade and evidence becomes stale. The fifth factor also favors dismissal because  
13 the court has already attempted less drastic alternatives. Specifically, after granting plaintiff leave  
14 to proceed without paying the filing fee, the court informed plaintiff of the complaint's  
15 deficiencies and granted leave to amend. However, plaintiff has been incommunicado since filing  
16 the complaint, leaving the court with little alternative but to recommend dismissal. Given  
17 plaintiff's request to proceed IFP, it is unlikely that monetary sanctions would be effective.

18 As to the fourth factor, the public policy favoring disposition of cases on their merits, that  
19 factor is outweighed by the other Ferdik factors. Indeed, it is plaintiff's own failure to prosecute  
20 the case and comply with the rules that precludes a resolution on the merits. Therefore, after  
21 carefully evaluating the Ferdik factors, the court concludes that dismissal is appropriate.

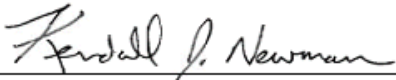

22 Accordingly, IT IS HEREBY RECOMMENDED that:

- 23 1. Plaintiff's claims be DISMISSED with prejudice pursuant to Federal Rule of Civil  
24 Procedure 41(b); and
- 25 2. The Clerk of Court be directed to close this case.

26 These findings and recommendations are submitted to the United States District Judge  
27 assigned to the case, pursuant to the provisions of 28 U.S.C. § 636(b)(1). Within fourteen (14)  
28 days after being served with these findings and recommendations, any party may file written  
objections with the court and serve a copy on all parties. Such a document should be captioned  
"Objections to Magistrate Judge's Findings and Recommendations." Any reply to the objections

1 shall be served on all parties and filed with the court within fourteen (14) days after service of the  
2 objections. The parties are advised that failure to file objections within the specified time may  
3 waive the right to appeal the District Court's order. Turner v. Duncan, 158 F.3d 449, 455 (9th  
4 Cir. 1998); Martinez v. Ylst, 951 F.2d 1153, 1156-57 (9th Cir. 1991).

5 Dated: March 10, 2021
